

NOMADIC
EXPRESSION ~

Mobile Collaboration Creativity

About environmental communication

Human and Non-human

Improvisation - psychic automatism
↳ A practice to let body
subconsciously express

With David

. At the ~~so~~ hill ^{Closets} of Valldaura metro

△ Conversation on: solid line

Conversation off: dotted line

1 to 1
conversation

What we talked about:

What we feel about MDEF

David's other tattoos

What do we want to do in the future

With Chi

- At ELISAVA WIT
 - △ Line density → conversation density
if other persons join the conversation, the line stops and restart
 - What we talked about:
(We shared Earpods, listening to music, to create a common space just for us)
 - we couldn't hear each other well
 - Checking up on "how are you doing?"
 - Introducing what is this project to other people.

With Max

- At Max's Apartment, Leon was at Max's place
Line density → conversation ~~less~~ density

3 people conversation

What we talked about:

emotions, what emotion we feel

Series of Avatar, Jesus 3 thorn

Wake up early, costa Rica, places we live with Sun
East Europe, Leon's job
